VOTING BY ABSENTEE BALLOT

Any qualified elector who is unable or unwilling to appear at the polling place on Election Day may request to vote an absentee ballot. A qualified elector is any U.S. citizen, who will be 18 years of age or older on Election Day, who has resided in the ward or municipality where he or she wishes to vote for at least 28 consecutive days before the election. The elector must also be registered in order to receive an absentee ballot. Proof of identification must be provided before an absentee ballot may be issued.

You must make a request for an absentee ballot in writing.

Contact your municipal clerk and request that an application for an absentee ballot be sent to you for the election. You may also submit a written request in the form of a letter, or you may apply for an absentee ballot online at Myvote.wi.gov. Your written request must list your voting address within the municipality where you wish to vote, the address where the absentee ballot should be sent, if different, and your signature, and a copy of your photo identification*. You may make application for an absentee ballot by mail, email, in person, or at Myvote.wi.gov.

*Voters who are indefinitely confined due to age, illness, infirmity, or disability may not be required to provide photo ID. If this applies to you, contact the municipal clerk regarding deadlines for requesting and submitting an absentee ballot.
